Description

Designed for cozy vibes and meditative relaxation, the "Aura -3" water wall features energy-efficient, waterproof LED illumination that accents every ripple and droplet. As dusk falls, this water feature transforms into the focal point of your garden, terrace, or living room.

The structure combines high-strength architectural concrete and stainless steel to ensure maximum stability and longevity. The built-in lights allow you to customize the atmosphere—ranging from a calming warm white glow to dynamic color accents.

Quiet pump operation, low energy consumption, closed water loop. Handcrafted quality.
